Summary

Experienced professional with a higher diploma in economics and business administration, specialising in departmental strategy development and quality assurance. Proven track record as Department COMMERCIAL at Atbara Cement, Sudan, with advanced skills in sales and intercultural competence. Former Inventory Controller at Integration Cement, Sudan, demonstrating strong database management capabilities. Career goal: to leverage extensive experience and skills to drive strategic growth and operational excellence within a dynamic organisation.

Experience

Team Leader

Modern leader in logistics services | Jazan, Saudi Arabia | Jan 2024 - Oct 2024

- It was a period full of great success due to my good leadership of the team.
- Understanding their problems, solving them before they got worse, raising morale, and constantly motivating the team.

Inventory Coordinator

LEADING MODEN COMPANY FOR LOGISTIC SERVES | Jazan, Saudi Arabia | Sep 2022 - Dec 2023

- Since joining the team, favourable results have been achieved for inventory and storage methods, and the correction of incorrect customer addresses,
- which was reflected in the delivery rate of couriers later.
