

IBRAHIM ALSIKHAN

+966-50-699-8331 IbrahimAlsikhan1@gmail.com Riyadh - Qassim

Highly motivated and result-oriented professional with a bachlore degree in cybersecurity and strong foundation in security risk assessments, vulnerability scans, and security awareness training. Skilled in identifying and mitigating potential threats, reducing the risk of successful cyber attacks by up to 80%. Looking for an opportunity wherein I can gain on-hand experience and help the organization achieve its objectives.

Education

Bachelor of Science in Cybersecurity Onaizah Colleges (Aug 2020 - June 2024)

- Graduation project titled "Expert System for malware detection"
In this project we proposed an expert system based on malware detection, this system integrates signature-based analysis and abnormality-detection techniques together. The system is designed to provide fast and accurate detection of malware, minimizing the risk of infection and preventing damage to computer systems.
- Participated in multiple extracurricular activities and clubs.

Work Experience

Sales representative Multiple stores (Mar 2018 - Present)

- Serves customers by selling products and services and meeting customer needs.
- Services existing accounts and establishes new accounts by planning and organizing a daily work schedule to call on existing or potential sales outlets.
- Keeps management informed by submitting activity and results reports, such as daily, weekly, and monthly reports.
