Mr. Director of Human Resources

I am applying for a position at your esteemed organization. I hold a Bachelor's degree in Mechatronics Engineering from 6th of October University . My educational background and practical experience qualify me to be a valuable addition to your team.

I have worked on various projects, including roles as Automotive Mechanical Engineer , which has provided me with comprehensive experience in project management, structural planning, and execution supervision. I am committed to adhering to high engineering standards and ensuring projects are completed within the specified timeline and budget.

I aspire to be a part of your professional and distinguished team and look forward to contributing to the continued success and growth of the organization. I have attached my resume for your review and welcome the opportunity to discuss how I can contribute to achieving the organization's goals.

Thank you very much for your time and consideration

Sincerely,

Khaled Nasser Tawfiq

PROFESSIONAL PROFILE

Here's the translation of your additional text into English: I am seeking to work in a leading organization that allows me to utilize my technical and managerial skills in project execution and achieving the organization's goals. I aim to contribute to the development of projects with high quality, within the specified timeline and a suitable budget, by applying the latest engineering methods and advanced technologies. I have experience in project management and coordinating multiple teams, and I am committed to developing my professional skills and enhancing work quality to achieve excellence in this field.

EDUCATION

- Bachelor's degree in Mechatronics Engineering from 6th of October University, graduated in 2024 with a grade of Good .
-

➤ Experience At Egypt .

❖ Mechatronics Engineer .

June 2024 – Jan 2025

❑ Automotive Mechanical Engineer At Nissan Car Agency .

- Engine Parts-Injection Systems-Suspension System-Transmission System-Brake System .

❖ Mechatronics Engineer (training) .

June 2023 – Oct 2023

❑ Automotive Mechanical Engineer At Seat Car Agency .

- Sensor Fault Diagnosis-Car Fault Check-Computer System and Car Programming .

❖ Mechatronics Engineer (training) .

June 2022 – Oct 2022

❑ Automotive Mechanical Engineer At Mansour Chevorlet Car Agency .

- Engine Parts-Brake System -Car Control Maintenance and Programming - Ignition System - Suspension System.

COURSES

- AutoCAD , Solid Works , Matlab , Adobe Photoshop , Adobe illustrator , Adobe In Design , Visual Studio , Intellij Idea Word , Excel , Power Point , Internet Browsing Skills , Automation Diploma (Classic Control Course - Plc Course - HMI - Scada) , Programming Fundamentals diploma (C++-OOP - algorithms - Java - Python - Data base) , Flutter Diploma (Dart - OOP - Clean Architecture - Firebase - Data Structure - Restful Api - Clean Architecture - UI - UX) , Graphic Diploma From The Russian Cultural Institute .
-

PERSONAL SKILLS

- Problem-solving skills.
 - Ability to work under pressure.
 - High aptitude for learning and adapting to new technologies.
 - Teamwork.
 - Self-confidence and emotional stability.
 - Politeness and good conduct.
