Portfolio

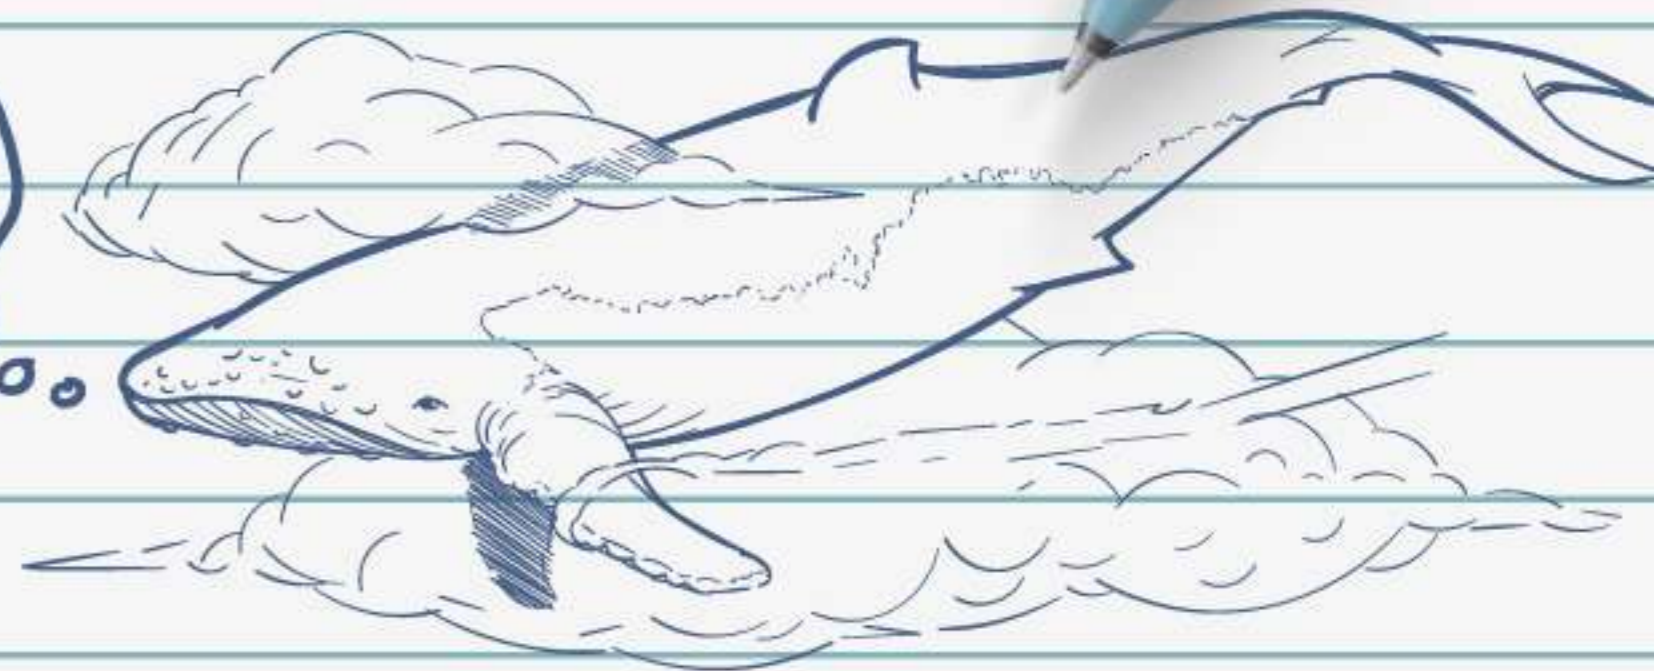

Raghad Mohammed - 2023

Time to have fun!

Where all the crazy ideas come from ^_^

Let's dive in

About Me :

I would introduce myself as a creative, responsive

You know what? I'll let my portfolio do the talking. In three minutes, you can see the variety of projects I've worked on during the last two years.

Software:

Skills:

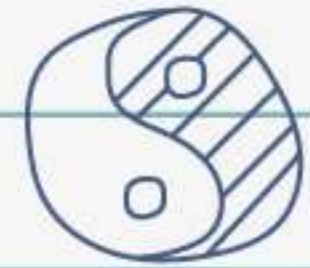

Time Management

Self-learning

Fast Typing

Chinese Language

"A true artist is not one who is inspired, but one that inspires others."

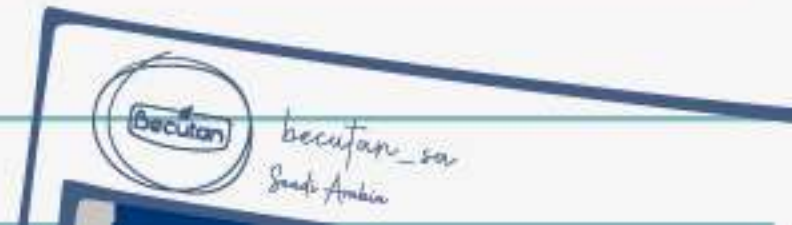

Salvador Dalí

Let The Journey Begin!

Social Media Designs :

茶

Becutan

Babycare Products

Ready for the next one?

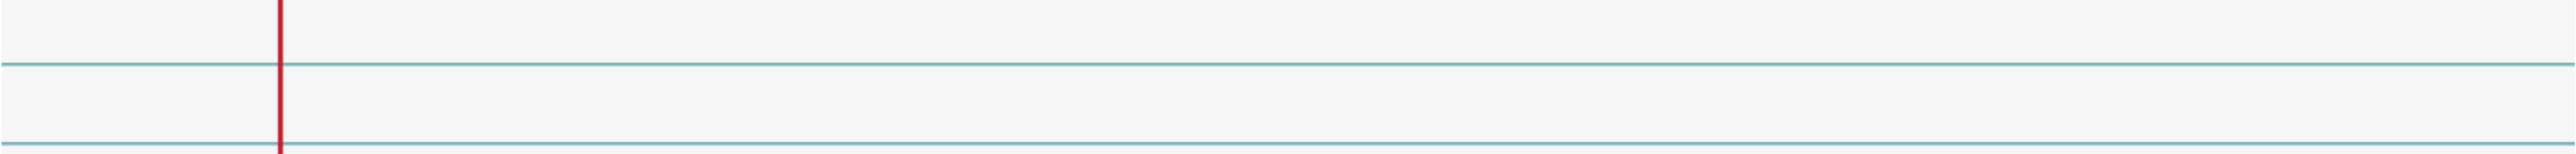

Every angle of the star in the logo aims to represent a different character.

I've created WhatsApp stickers to improve communication with customers.

Start Up is our small business that offers presentations and motion graphic videos.

Now let's have a look at some other designs...

designed in 2022

Catering Service Brand

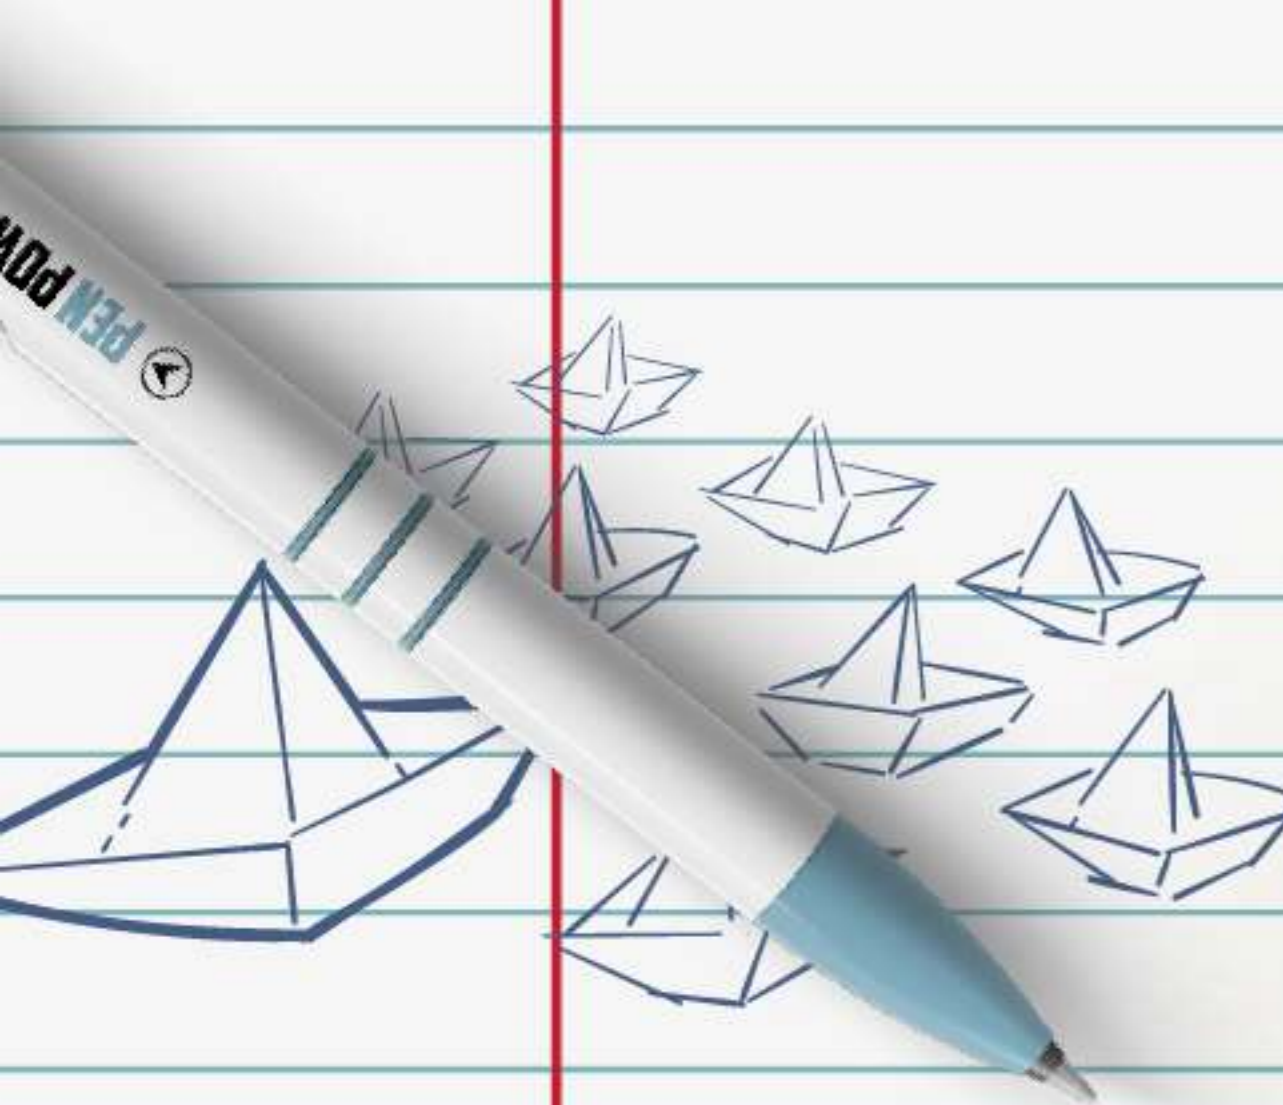

Flower shop project - 2021

Makeup artist visual identity - 2022

One of my very first designs was this cozy bedding concept. Designed in 2021.

Thank You

For watching :-)
