

Ramy M. Hamdi

Architect Team Leader

I'm an architect who graduated from SHA in 2011. with over 12 years of experience in the field of architectural and interior design. My professional career has been characterized by adaptability, creativity, and a commitment to architectural excellence.

I have had the honor of working on a wide range of diverse projects. With my passion for innovation and sustainability, I continue to contribute to this field and leave my mark on the built environment. I always strive to achieve sustainable, functional, and remarkable designs.

I am committed to continuously developing my skills and staying up-to-date with the latest technologies and trends in the field of architecture. I consider myself a creative and innovative individual, utilizing my artistic and technical skills to bring clients' visions to life through unique and innovative designs.
